CONGRESSMAN GREG CASAR
TEXAS 35TH DISTRICT

March 23, 2023

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the San Marcos Shared Use Pathway Connection Project. City of San Marcos, Hays County, Texas, 35th Congressional District in fiscal year 2024. The entity to receive funding for this project is the City of San Marcos, located at 630 E Hopkins St, San Marcos, TX 78666. The funding would be used for the construction of a pathway that would be a safe multi-use bike/pedestrian connection between the historically underserved east side to the west side of the city. The project is an appropriate use of taxpayer funds because it would provide residents of San Marcos with desired safe bike and pedestrian access to everyday essentials to residents otherwise only accessible by car or bus.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Greg Casar". The signature is stylized with a large, looping "G" and a trailing flourish.
